TRIANGLE GEOMETRY/TOPOLOGY SEMINAR
SECOND ANNOUNCEMENT

DATE: Friday, February 4, 2005

LOCATION: Hempfield High School, Room 213 (directions attached) followed by dinner at a place to be determined.

4:30 TALK: David Johnson, Lehigh University

"Mass-minimizing sections of bundles"

ABSTRACT: I'll define the specific situation that I've been worried about for some time, and explain some results of Gluck & Ziller, and some that I've done with various collaborators.

EVERYONE WELCOME

PLEASE FORWARD THIS ANNOUNCEMENT TO ANYONE INTERESTED

The Triangle Geometry/Topology Seminar is sponsored jointly by Elizabethtown College, Franklin & Marshall College and Millersville University.
